PROFILE

First 6 years of my carreer worked at consulting company, as result developed a lot of different applications there as and solo developer so and a team-player. I was a team leader for huge smart-home universal iOS/iPad app and for big social network app.

Besides apple platforms, I have experience with Kotlin (developed a multiplatform library for iOS and Android), Ruby (CI scripts), flutter (pet project) and more.

WORK EXPERIENCE

iOS Developer, team lead
nebenan.de | Sep, 2017

iOS app development of social networking app, setup CI, mentoring junior developers.

MacOS Developer
OnQ Systems GmbH | Apr, 2017 - Sep, 2017

macOS development of application for making payments in Switzerland, payment info recognition by camera, windows tools for users migration.

iOS Developer
